Temperate Barkeepers.
Paradoxical as it may appear, 1,800 barkeepers and saloon men of Jersey City have formed a "Barkeepers' Temperance Union," and the members pledge themselves not to drink any of the liquors which they sell. If any class of men know the evils of whisky drinking it is the barkeepers. They see the seamy side of it, the folly of it, the sin of it, the shame of it and the crime of it. The barkeeper stands face to face daily with men of fine intellect and splendid accomplishment and who are fitted to shine with a steady effulgence on the higher planes rendered maudlin, garrulously silly or gravely idiotic by drink. They see how the term "good fellowship" is prostituted and interpreted to mean getting each other drunk; and how men of parts indulge in loquacious and unheeded insipidity or who are demonized and rendered insane by intoxicants; and if a great disgust can be produced by anything, this will produce it. The Barkeepers' Temperance Union is therefore not unreasonable.—Lexington Democrat.

That Our Team Was Only as Considerate.

Owing to the united protests of the Lexington clergy, there will be no Sunday base ball in Lexington this year. Lexington was to have joined the Sunday Base Ball League, but the men of the cloth have effectually prevented its entrance.—Richmond Register.

A Commendable Act.

The Executive Committee of the Kentucky State Fair adopted a resolution prohibiting horse racing with betting at the coming State Fair at Owensboro.

A Good Fisherman.

Uncle Billy Goosy is the champion fisherman, having caught 250 in Lulbegrud creek this spring with hook and line.—Winchester Democrat.

One Fatality at Least.

An exchange says at least one case of "small-pox" has proved fatal. At Paris, the guard shot and killed a patient who was trying to escape from quarantine.

Scobee's Yards report most of

Quick Justice.
At a blind tiger in Breathitt county March 8th., John Hensley killed Bud Spicer. He was arrested and a special grand jury ordered to investigate the case. They returned an indictment, and last week was tried and given a sentence of 16 years in the penitentiary, and in less than a week from the commission of the crime, was serving the penalty.

Notice to The Public.

I have not purchased the business of any newspaper or any part of it. The TIMES is the only paper I have any interest in, or have ever had. Please take notice to this fact.

Winchester Court.

But few cattle were on the market Monday, but a good feeling prevailed and prices were better than last court. The best price was obtained for good yearlings which were sold by the head and brought over 5 cents; some good feeders sold for 3 $\frac{1}{2}$ cts.; good heifers sold for 3 $\frac{1}{2}$ cts.; and lighter ones for 3 $\frac{1}{2}$ cts.; fat cows about 3 $\frac{1}{2}$ cts.; some big oxen brought 4 cts.; a few bunches of hogs, 6 $\frac{1}{2}$ cents.

Scobee's Yards report most of the cattle at that point sold early in the day. Among the sales were the following:

Simon Weil sold 56 good feeders at 4 $\frac{1}{2}$ cents.

Mr. Marshall, of Bourbon, sold 31 good yearling steers at \$33 each.

S. M. Boone sold to Winfield Thomas 11 Jersey calves for \$118.

Connie Gaines sold to W. O. Hoskins, 15 yearling steers at \$27.60. Mr. Gaines also sold a yearling heifer for \$24.

Jell Jones sold a cow to D. T. Railsback for 8 $\frac{1}{2}$ cts.; he also sold a heifer at \$3.50.

Matt Shearen sold 35 good yearling steers at \$20 each.

Jonas Weil bought four big oxen, wt. about 1,500 lbs., at 5 cts.—Winchester Democrat.

Two Killed in Laurel.

While Deputy Sheriff Burt Castel and his brother, Charles, were trying to arrest Charles Inman at the residence of George Little in Laurel county, Little shot and fatally wounded the deputy. Castel returned the fire as he fell, killing Little instantly. Inman made his escape, and Castel died in a few hours after the shooting.

H. C. Warmouth in Business.

Mr. J. W. Tipton invoiced his stock of goods to Mr. H. C. Warmouth the first of the week and he now has possession. Mr. Warmouth is a merchant of experience and is quite popular with Clay City people. Now, with a little printer's ink he can soon build up an enviable business.

Fruits of Teddy's Example.

The marriage of a negro to a white woman was solemnized at the First Presbyterian church in Washington last Thursday. The late T. DeWitt Talmage formerly occupied the pulpit of this church.

Measles are still very numerous in Clay City. One of the local physicians says he was called to see nineteen cases in the town yesterday.

Mrs. J. A. Webb, who has been in very delicate health for some months, was taken much worse yesterday evening, and is now very sick.

The town was in darkness the greater part of Monday night.

The Balance Wheel

Look inside your watch a moment. The balance wheel is making 18,000 vibrations an hour, if it's in good condition. If the movement is sluggish, there's something wrong. It will move 3,558 miles in a year, and requires less than one-tenth of a drop of oil to make it run. But it needs that little badly. The least degree of friction on the bearings affects the motion. Don't take chances. Let me clean and oil and put your watch in order for a year. It will pay and satisfy you.

Wakful Children.

For a long time the two year old child of Mr. P. L. McPhearson, 59 N. Tenth St., Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents. Her mother concluded that the child had stomach trouble, and gave her half of one of Chamberlain's Stomach and Liver Tablets, which quieted her stomach and she slept the whole night through. Two boxes of these Tablets have effected a permanent cure and she is now well and strong. For sale by all dealers in patent medicine.

Grip Remedies in Great Demand.

When colds and grip are prevalent the quickest and surest remedies are in great demand. Mr. Joseph D. Watch for the announcement in these columns.

Danger of Colds and Grip.

The danger from colds and grip is their resulting in pneumonia. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided. Among the tens of thousands who have used this remedy for this disease we have yet to learn of a single case having resulted in pneumonia, which shows conclusively that it is a certain preventive of that dangerous disease. It will cure a cold or an attack of the grip in less time than any other treatment. It is pleasant and safe to take. For sale by all dealers in patent medicine.

Bad Showing For The Blacks.

Of 22 prisoners sent to the penitentiary from Lonesville recently, all but two were negroes. This is rather a bad showing for the educated blacks, as no where in the United have they a better opportunity to acquire an education than in the Falls City.

SEVERE ATTACK OF GRIP Cured by One Bottle of Chamberlain's Cough Remedy.

"When I had an attack of the grip last winter (the second one) I actually cured myself with one bottle of Chamberlain's Cough Remedy," says Frank W. Perry, editor of the Enterprise, Shortsville, N. Y. "This is the honest truth. I at times kept from coughing myself to pieces by taking a teaspoonful of this remedy, and when the coughing spell would come on at night I would take a dose and it seemed that in the briefest interval the cough would pass off and I would go to sleep perfectly free from cough and its accompanying pains. To say that the remedy acted as a most agreeable surprise is putting it very mildly. I had no idea that it would or could knock out the grip, simply because I had never tried it for such purpose, but it did, and it seemed with the second attack of coughing the remedy caused it to not only be of less duration, but the pains were far less severe, and I had not used the contents of one bottle before Mr. Grip had bid me adieu." For sale by all dealers in patent medicine.
